

Bio

Khenady Leonard, a senior at Franklin High School, has played soccer since she was 4. She has played club soccer and has been a varsity soccer athlete for the past four years. This past season she had the privilege of varsity captain for the Franklin Ladycats. When not on the field, she plays basketball and works. She also serves in the community through volunteering through local programs such as soccer and basketball camps. She also is involved in swim coaches, a program that helps children with mental and physical disabilities to achieve their goals through swimming. She is an active member of the National Honor Society. Her passion for young kids helped her decide her career, Early Childhood Education.
